Comments

Because this is a continuation application of parent application 10/065,273 which is in turn a continuation of grandparent application 10/065,273 , and its specification and drawings do not contain any subject matter that would have been new matter in the prior parent or grandparent applications, attached are copies of the declaration from the grandparent application 09/683,598 (2 sheets) of which 10/065,273 is itself a continuation, under 37 CFR 1.63(d). The power of attorney granted the undersigned with the parent application 10/065,273 and grandparent application 09/683,598 applies to this application as well. The attached drawings are to be regarded as FORMAL drawings. This is to assert that applicant qualifies for small entity status under 37 CFR 1.9 and 37 CFR 1.27.
